

Ascent Training Group is a locally based private training company that delivers professional & efficient training tailored to your needs.

TRAINEESHIPS

We deliver on the job, flexible training in Retail, Business Administration & Food Processing. This is a great way to develop new staff, receive Government incentives & provide employees with a qualification. Typically we visit the trainee at work (monthly) & complete the training within 10-12 months.

STAFF DEVELOPMENT

Ask us about how we can develop your team with leadership, management and administration training at no cost to you. We deliver nationally recognised qualifications & training tailored to your requirements in Frontline Management & Business Administration. This can be on or off the job with staff gaining a qualification in 10 months.

FEE FOR SERVICE

Customised training on or off the job for your staff by our qualified trainers & industry experienced staff. Competitive rates for training which includes:

- Computing
- HR
- Spreadsheets
- MS Office
- Customer service
- Team building
- Management
- MYOB

SCHOOL-BASED TRAINEESHIPS

How about employing a year 10, 11 or 12 student part time in retail or administration (working a minimum of 8 hours per week) Students undertake paid work whilst studying at school and gaining a nationally recognised qualification. A great way to

improve young peoples skills & you have a part time worker committed to your business. You will be eligible for generous government incentives.

SPECIALIST TRAINING

We provide accreditation for Frontline Management and Trainer & Assessor (TAA) for new or existing staff. Great for inductions, assessment & quality assurance.

The above categories are a range of the services we offer in the South East. Our qualified staff have experience in tailoring solutions for your training needs with the back up of national accreditation & industry experience.

Developing your staff is the greatest way to retain quality people & increase business levels.

Email admin@ascenttraining.com.au if you would like to receive our "Training Matters" newsletter with the latest HR information & available funded training for your business.

We look forward to working in partnership to develop a better work force for the future.
