

CONFINED SPACE ENTRY

Unit BCCCM2009B Work in Confined Space

This course includes the unit BCCCM1001C Follow OH&S Policies & Procedures

Work in Confined Spaces is one of the most potentially dangerous tasks performed in the workplace. On average 15 workers are killed in Australia each year while working in confined spaces. Because of this training is compulsory & employers are obligated to ensure training for their employees is current & up to date.

<p><b>Overall Aim:</b> At the completion of this course applicants will be able to safely identify a confined space, hazards applicable to confined spaces &amp; methods to control these hazards. On successful completion of this course applicants are issued with Nationally recognised certification for working in a confined space.</p>	<p><b>Delivery method:</b> Training consists of a combination of both theory &amp; practical assessment.</p>
