

Lift your skills to gain your forklift licence

Forklift Licence Course

This TAFE SA training course gives participants the practical and theory skills required to obtain their forklift licence.

Participants must be a minimum of 18 years of age

**For information phone
Gerard, 87628311.
Front office 87628300**

The 2-day course includes:

- Occupational Health and Safety required for forklift driving
- Training in driving techniques
- Workplace practices
- Safety aspects of forklift operation
- Refueling demonstration
- Maintenance inspections
- Loading and unloading in simulated work environment

A theory assessment from the guidelines must be taken along with a practical assessment of driving competencies.

Successful students will receive a forklift licence at the conclusion of the course.
